Crime road short for two juveniles

It was a short ride down a road to crime for two juveniles who stole a pickup truck Sept. 13.

The two took the truck in the middle of the afternoon from Thelen's Sand and Gravel on Rte. 173. "Within minutes after the theft," the juveniles were apprehended on Rte. 59, said Antioch Police Chief Chuck Miller.

When Jim Lay, a Thelen's employee, noticed his truck was being driven away, he and his co-worker Jerry Sobiesk followed the stolen vehicle in another truck "at a safe distance," Miller said.

Lay and Sobiesk had spoken to the youths

earlier when they were walking near the gravel pit. "There's not a lot of foot traffic" in that area, Sobiesk said. When the truck began to move the two employees "had a pretty good guess" of what was going on.

In the truck behind, the employees reported the incident via CB to Thelen's office, which in turn called the Antioch Police Dept.

At Rte. 59 Officer Ronald Roth apprehended the juveniles and verified the complaint.

The arrest was "a real good effort" between the citizens and the police department, Miller said.

Rotary plans to serve over 600 at barbecue

The Rotary Club's annual barbecue and auction promises to be a "day of good fun" and a fundraiser for community-based projects as well.

The fifth annual auction, flea market, pork chop barbecue and dance will be held beginning at 6 p.m. Sept. 29 at the Antioch Auction Center on North Ave.

ANTIQUES AND collectables will be auctioned off beginning at 7:30 p.m.

Whole hogs, cut, wrapped and frozen and one-half of a home grown steer will also be auctioned.

A flea market will be held during the meal time, which is from 6-9 p.m.

From 10 p.m. to 1 a.m., Art Smejkal and his band will perform.

TICKETS CAN BE purchased from Rotary members and at the Antioch banks or savings and loan. The cost of each ticket is \$7.50.

Barbecued pork chops, baked beans, cole slaw, apple sauce, bread or rolls and ice cream are on the dinner menu. Beverages will be available at the bar.

Auction donations are being accepted. For more information call Homer White at 395-0651 or Tom Kelly at 395-3030.

Proceeds from the evening will be used for Rotary community service projects, which include the organization's international student exchange program.

THE PROGRAM "gives Antioch students the opportunity to travel," said Youth Exchange Program Chairman Wayne Parthun.

The exchange also provides host families in Antioch for visitors from other countries.

Other service projects include supporting senior citizens' Meals with Wheels program and sending an Antioch police officer to juvenile training school.

The money earned at the barbecue will stay in the community, Parthun said.

Last year Rotarians served 554 people and are "planning to serve 100 to 150 more this year and have the facilities to handle it," said Homer White, chairman of the barbecue and auction and a past president of the Rotary.

Golf contest deadline is Sept. 26

As the Sept. 26 registration deadline nears for the Antioch Open Golf Tournament, golfers of all abilities are signing up to beat the last minute rush.

All male amateur golfers in the Lakeland area are eligible to compete in the contest sponsored by The Antioch News and Harbor Ridge Country Club.

THE COMPETITION begins Saturday, Sept. 29 and will be completed Sunday, Sept. 30 at Harbor Ridge Country Club, Rte. 59 and Grass Lake Rd.

Four divisions will be featured in the 36 hole competition.

BASED ON HANDICAPS, they are Championship, 0-8; Class A, 9-13; Class B, 14-19 and Class C, 20 and over.

Club professionals and golf league secretaries can provide handicap verification for entrants who do not have a regular handicap, according to Publisher William H. Schroeder.

Entry fee is \$25, which covers green fees, prizes and trophies.

Along the way with ANNIE MAE

Sharon Prange, a former Antioch resident, is now an active citizen of Santa Clara, Cal.

She is the spokesman for about 400 Santa Clara residents who are seeking rent relief. Rents in that city are going up 20 to 80 per cent in four to eight months, according to word received by Annie Mae.

Happy belated birthday to Mayor Michael J. Haley. I heard that he gave everyone the day off for his Labor Day birthday. Old Annie Mae isn't going to guess his age.

THE CHAIN O' LAKES Senior Services will be participating in the United Way of Lake County's County Fair to be held Sept. 22 and 23 at Lakehurst Mall.

Watch for that delightful person, Ms. T. Clown, who will be entertaining at the mall Friday.

For those of you who love to sing, you'll be interested in this bit of news.

Antioch's United Methodist Church is planning a mini centennial concert as part of a day-long celebration of the congregation's 100th year.

The concert will be held at 3 p.m. Nov. 18 and the church has invited everyone in the community to join in. Songs and music from the church's past will be featured. Ken Smouse will be directing.

ANYONE INTERESTED in practicing and singing at this lovely afternoon event are asked to contact the church office at 395-1259.

TOWNSHIP ASSESSMENTS UP Holtz: We aren't the bad guys

by JANE POLZIN

Taxes in Antioch are going to go up as a result of a higher assessed valuation and an increased tax rate in the village.

"The public makes the assessment," according to R.G. (Bud) Holtz, township assessor.

"If people pay fabulous prices for property, that's what you have to assess them at," he said.

Holtz said all assessments are based on the market value of the land and buildings on the property.

"The public is not knowledgeable about taxes, especially real estate taxes," he said.

"WE AREN'T THE bad guys. We have nothing to do with the tax rate and with the multipliers" which the

state uses to equalize Lake County with the rest of Illinois.

The tax rate is determined by the amount of spending by schools and other units of local government in the township taxing district.

"We can hardly get anybody to come out for school elections and have to beg people to run for the school board and they're the ones that spend the money. Sixty-five to 70 per cent (of the tax rate) goes toward education," he said.

Individual tax bills are arrived at by multiplying the assess value times the board of review's equalization factor times the local government affairs equalization factor minus exemptions times the tax rate.

"The assessor's office is not responsible for the board of review equalization factor, department of local government affairs factor or the tax rate," according to a notice of assessment change for 1979.

Assessed valuation in the township of Antioch for 1978 total \$99,433,925, of which 94,553,851 is itemized for real estate.

Personal property, railroad and telephone and telegraph are also itemized.

Last year's assessed valuation was for \$88,929,131, showing a 1978 increase of \$12,504,794.

THE TOWNSHIP of Antioch has about 14,000 parcels of land, which is "the biggest township in the county area-wise," he said, "and the second largest in parcels."

Very little of this land is

used for farming, Holtz said. The majority of it is for "speculation and to subdivide."

There are close to 900 homestead exemptions in the township, with 13,000 in all of Lake County, he estimated. To be eligible for the homestead exemption, a person must be at least 65 years old and living in his or her own home. The exemption is for \$1,500.

Forms for the exemption are available at the township office, located east of Rte. 83 on Rte. 173. The address is 99 Hwy. 173.

Inquiries for information are welcome, Holtz said, as is constructive criticism.

"The information is public, not private."

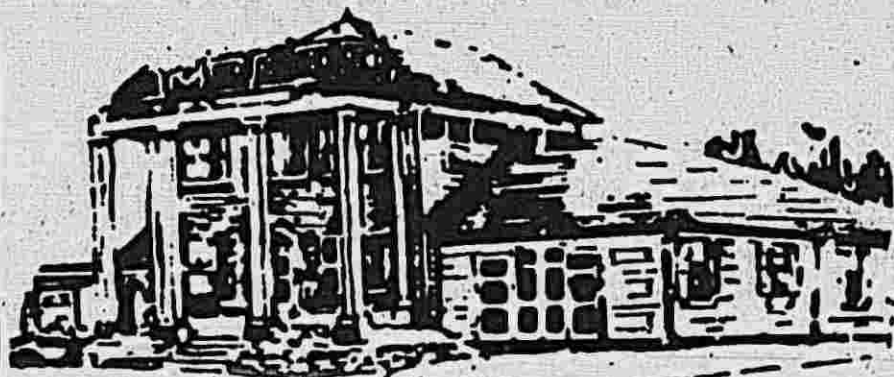

Holtz's main concern is "to have equal taxes as far as the people in this township are concerned."

Green wing teal picnic is Sept. 23

Food, refreshments and prizes will be features of the 1979 Green Wing Teal Picnic beginning at 9 a.m. Sept. 23 at the Red Wing Club on Deer Lake.

The event is sponsored by Northeastern Illinois Ducks Unlimited, which is part of a national organization which works to preserve and re-establish nesting grounds for all waterfowl in Canada.

Green wing teal is a Ducks Unlimited organization for young people under age 16. It is named after the smallest of ducks.

SPECIAL ACTIVITIES planned for the day-long event include a demonstration by a decoy carver and a demonstration by Fred Knez, a professional dog handler who will show how dogs are used in retrieving birds.

Representatives from fish and wildlife law enforcement groups will also be present.

Films from Ducks Unlimited, a nature walk and trap shooting will also be highlighted.

THE PICNIC location, at the Red Wing Club on Deer Lake, is on Rte. 173 about one and one-half miles east of Rte. 83 on the north side of the road. A sign will be posted on the highway.

For additional information call 395-2700.

"We hope to make this the biggest Green Wing event ever," a spokesman said. There will be "something for everyone...adults and kids," he added.

Ducks Unlimited's dedicated members who keep 'em flying are busily preparing for their annual Green Wing Teal picnic Sunday, Sept. 23. The event is an excellent way for adults as well as future young members of the club to have an enjoyable day which includes food and prizes. It also offers an opportunity for up and coming young sports enthusiasts to appreciate the many joys of the great outdoors.

It takes a keen eye to keep up with the changes and growth of Our Town, especially the North Ave. Mini Mall. Jerry Miller, a longtime resident of the Antioch area, is nearing completion of Family Pride Quick Wash. Assisting Jerry in making this laundromat a smooth running operation will be Jerry's wife, Evelyn and son, Don. Daily hours will be convenient for all (including Sunday). Much success on your new "family venture" Jerry.

For all you busy and active gals out there who need a well deserved break from the daily routine, consider treating yourself to a relaxing facial at Guys and Dolls. You're guaranteed to come out looking better and feeling revitalized. Why not pamper yourselves ladies?

Planned an outing for Sunday, Sept. 16th by catching my husband in a good natured mood even though he was smuggling a portable tv into the car to catch the Sunday football. It didn't take much to entice him into Swan's Deli, Rte. 173 and 59, for Ken and Norm's good suggestions for the makings of an ideal and inexpensive lunch along the Kettle Moraine Trail. Delectable cheeses, sausages and wine were the selections for the afternoon. Thoroughly enjoyed the day, but couldn't help asking myself "where did hubby think he was going to plug in that tv for a football score?"

Happy Birthday to our friend Vi Johantgen! Sunday, Sept. 23 is the day the Yellowbird is opening it's doors for a full-fledged celebration. Congratulations, Vi, we're told it's "39 Again."

Entries are coming in strong for the football contest. If you weren't a winner last week, hang in there — seven more games to go and the odds are good. Since the contest has proven to be an enthusiastic community project, I've made an effort to learn as much about the game as possible.

Some of the local supporters gave me tips on football procedures and my interpretation was that I'll soon be knowledgeable enough to play for the Cubs vs. Bears game in the position of left field. Maybe I've a long way to go before that famous game, but when the leaves start turning, the Sequoias start churning... SO LET'S GO TEAM!

Continued success to Bob Downey at the Pin and Pleat as the fabric shop enters into their fourth year of business here in downtown Antioch. It takes a great deal of hard work and group effort to maintain a steadily growing concern such as the Pin and Pleat. Congratulations.

Grass Lake and ACHS tell free lunch policy

Grass Lake School and Antioch Community High School announced its policy for free milk, free lunch and reduced price lunch for children unable to pay the full price of meals and milk served under the National School Lunch, School Breakfast and Special Milk Programs.

Children from families whose income is at or below specified levels are eligible for free milk, free lunch and reduced price lunch.

In addition, families that do not meet these criteria but have expenses such as unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses are urged to apply.

In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free milk and free or reduced price meals for them, the family should contact the school. If a family member becomes unemployed or if family size changes, the family should contact the school to file a

new application. Such changes may make the children of the family eligible for reduced price meals, or for additional benefits such as free meals and milk if the family income falls at or below the levels shown above.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility.

Applications may be submitted at any time during the year.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn the application is being made in connection with the receipt of Federal funds, that school officials may, for cause, verify the information in the application; and that deliberate misrepresentation of information may subject the

applicant to prosecution under applicable state and criminal statutes.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his/her race, sex, color, or national origin.

Under the provisions of the policy, Antioch Community High School, Kenneth C. Wierschem, 395-1421 and Richard Hogan, 395-1550, Grass Lake School, will review applications and determine eligibility.

If a parent is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If he/she wishes to make a formal appeal, he/she may make a request either orally or in writing to Warren P. Polley, Superintendent, 395-1421, John Steitz, Board President, 395-0783 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school has a copy of the complete policy, which may be reviewed by any interested party.

STUDENT AND TEACHER — Larry Ver Keyn, left, proudly displays work with oil painting teacher Wava M. Barnes, right. This is fifth and final exhibit of

works of her pupils. She will continue to teach privately.

Restoration under way on 78 year old church

by JANE POLZIN

Scaffolding has been erected and plasterwork and restoring pews are the first steps being taken for the restoration of Antioch's 78-year-old United Methodist Church.

With the help of members, friends and hired firms, the church is planning to complete much of the work before celebration of the congregation's centennial anniversary Nov. 18.

"We are creating a whole new energy for not only who we are, but in a theological sense, whose we are," said the Rev. Stephen Williams, pastor of the church.

"WE ARE VERY anxious, very excited about what we're doing," he said.

Mrs. Mabel Lou Weber, church organist for nearly a quarter of a century and Ken Smouse, choir director for 22 years, have been assisting trustees by "providing information and ideas drawing upon their long experience," Williams said.

Heading off the list is work on the church's original plaster, which is being done by a local firm, Rockow Plastering.

Restoration of the building's original church pews is also under way.

Tuck pointing on the exterior of the building and refinishing pews and altar furniture are also underway.

ROOFING ON THE church's educational wing will be

done by Jack Christiansen of Antioch's Ace Roofing.

A Minnesota firm will be placing protective storm covers on the stained glass.

Future plans include resurfacing the floor in Wesley Hall and carpeting the sanctuary and overflow room. The last time carpeting was laid in the church was in 1947.

New doors for the main west entrance and new signs in the parking lot and at the front of the church will be made. The parking lot will receive a new look with freshly painted lines.

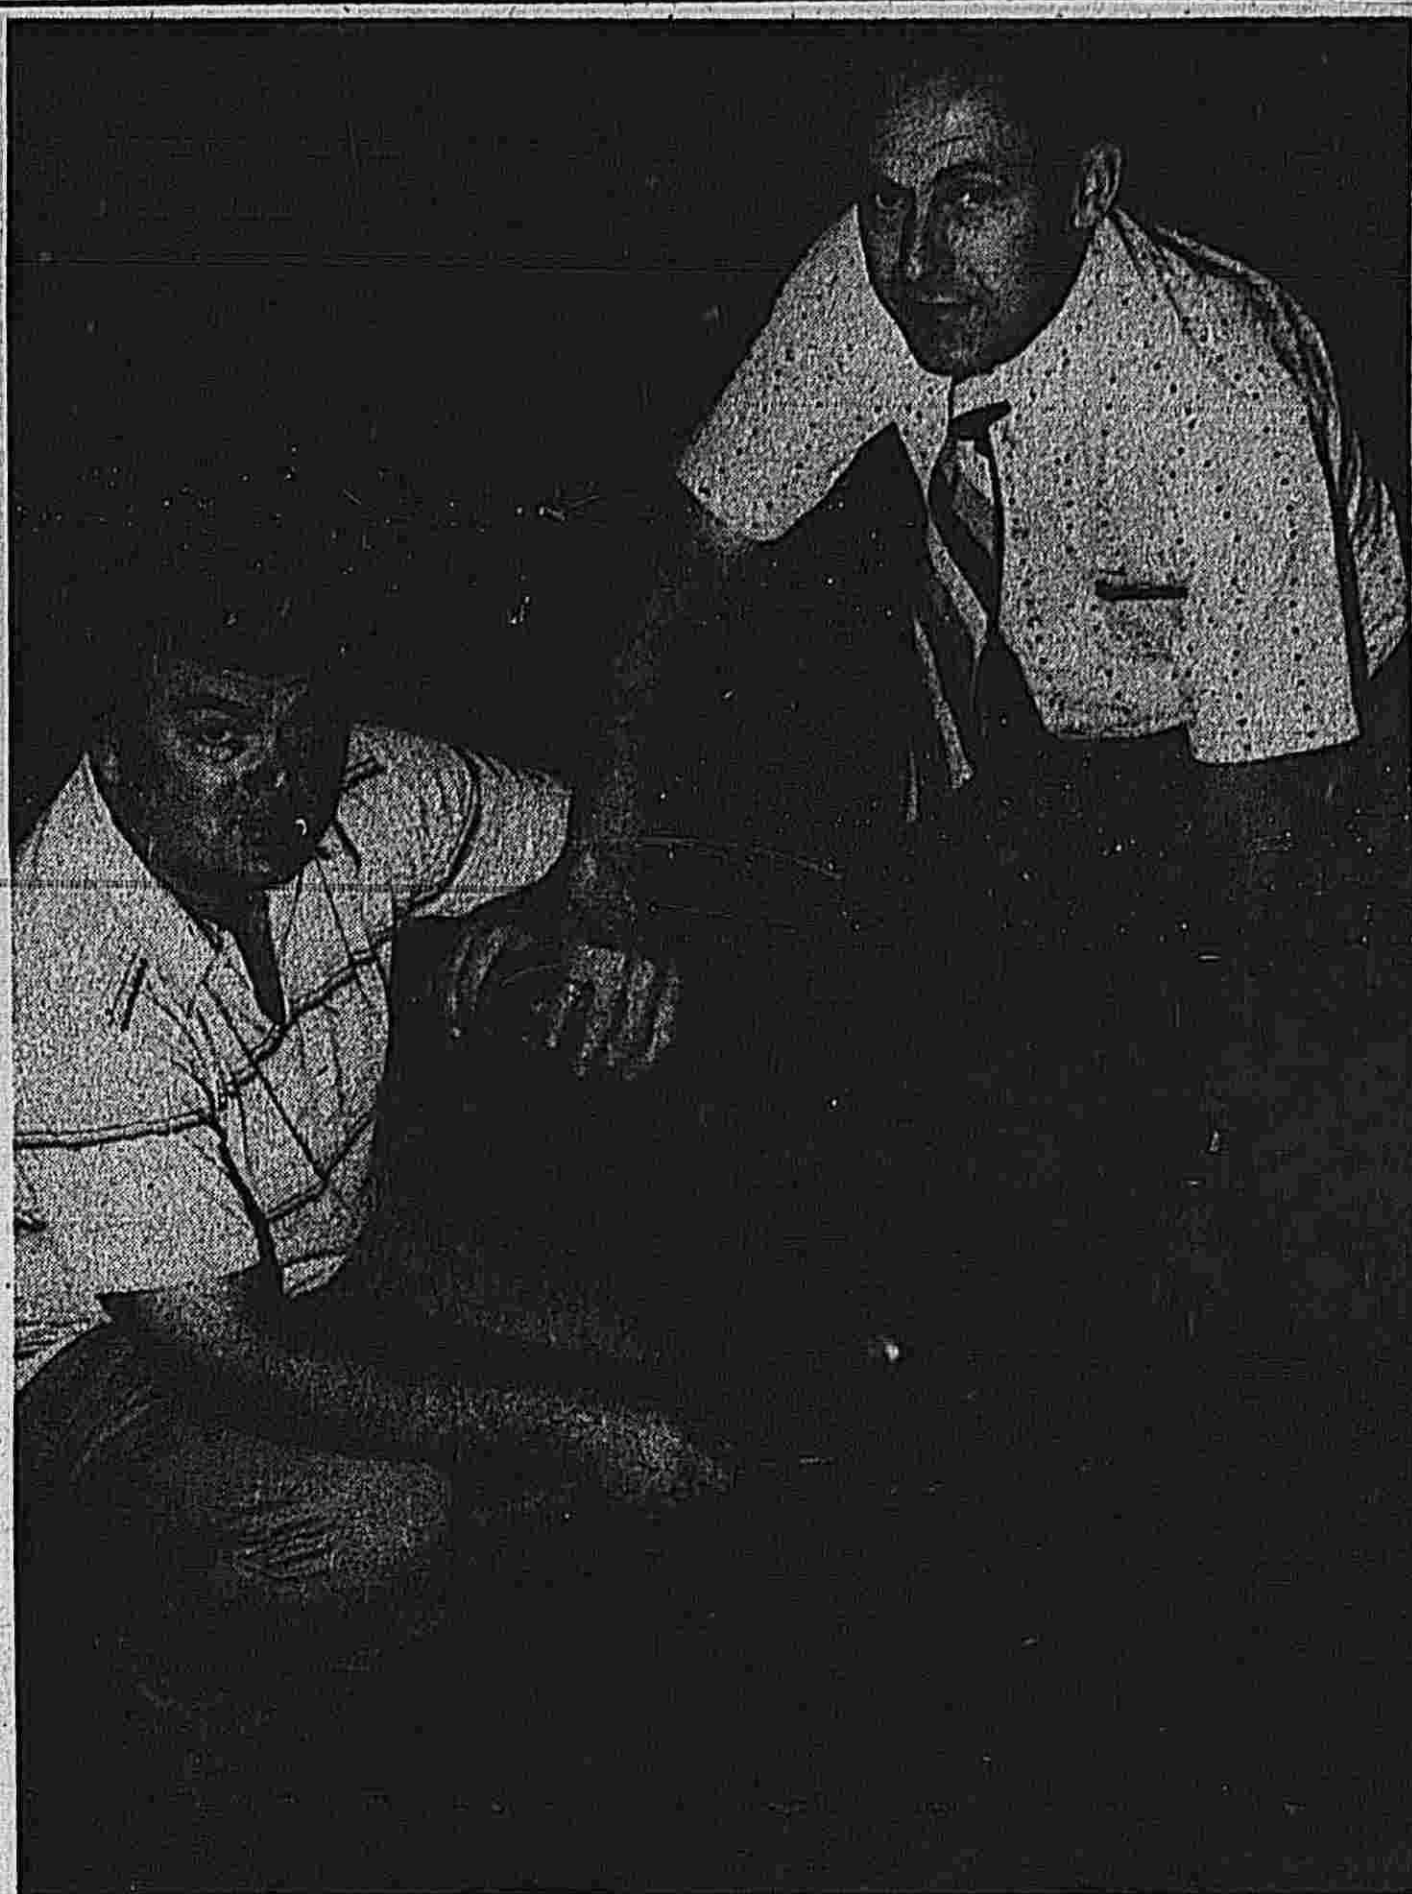

JERRY SMOUSE, a church member, will paint the bell tower.

Barbara Gpetzelman has been going through old Antioch News papers to "gather history pursuant to the church," Williams said. She currently has "nearly 100 typed pages of history or information," he added.

With the help of volunteers as well as funds from the Harry and Evelyn Dinninger estate and matching funds from members and friends, the church will be able to complete the projects, which total \$50,000-\$60,000.

BEST OF SHOW — Arts and Crafts trophy is presented by First Bank's Carolyn Van Patten, left, to Elna Messineo, right, for her macrame hanging which took the award at the Lake County Fair. Elna is a member of the Wildwood Winners, a Lake County 4-H division.

DIANNA DELPH

OFFICER OF THE WEEK

Mrs. Delph counts on teamwork as dispatcher

by JANE POLZIN

If you've ever called the Public Safety number listed in the phone book, there's a good chance that Dianna Delph has helped placed your call.

Mrs. Delph is one of the Antioch Police Dept.'s dispatchers. She receives and dispatches police, fire and rescue calls for Antioch, Lake Villa and Lindenhurst.

Other duties include general office procedures, such as typing and filing.

"EACH CALL IS different and has to be handled individually," she said. There is no one procedure a dispatcher can use to handle all calls, she added.

"Cooperation between department people is the most important ingredient to get the job done properly," said the cheerful brunette dispatcher.

Enthusiastic about her part time position and other skills, Mrs. Delph enjoys "the opportunity to learn...everything I see." Her interests have expanded to keypunch and operating a telephone switch board although she would like to do neither all the time. Computers also fascinate this inquisitive worker.

THROUGHOUT THE DAY, she likes to stay busy. When things slow down she can

usually find something to do, she said.

"Being busy is part of liking the job. It keeps you interested in it," she added.

Mrs. Delph studied communications for dispatchers and took basic police training in North Carolina. She has also been certified as a police officer there.

Despite her qualifications, she feels more comfortable working indoors. "I feel better qualified working inside."

"I WOULDN'T CHANGE professions for anything," she said. She described dispatching as her life's work and a challenge she is capable of meeting.

An easy going person, she enjoys her co-workers and described them as "personal friends," not just people she works with.

Good feelings about her work and fellow employees extend to pride in Antioch.

"I'M HAPPY to be back in my home town and proud to be a part of the Antioch Police Department," she said. "I'm really glad to be home."

Besides working two other part time jobs, Mrs. Delph bowls, swims and spends time with her family.

Mrs. Delph, her husband Grant and their four children: Allan, 14; Steven, 11; Thomas, 10 and Tonya, 4 live in Antioch.

THE Entertainer

Stars shine at PM&L annual awards banquet

The annual PM&L Awards Banquet bringing season 18 to a close and welcoming season 19 was held at Andre's with over 100 PM&L members and friends attending.

After a delicious family style dinner, Ken Smouse, outgoing president, welcomed the festive group and turned the program over to vice president and awards chairman, George Blanksten. Tom Hausman, in charge of entertainment, presented his cast consisting of Tricia Schaefer, Aileen Biel, Pam Guardi, Lillian Allen, Larry Bersie and Don Beveroth who gave a skit

saluting season 18.

The most important event of the evening followed—the presentation of the awards. Jackie Awards were as follows: actress in a leading role, Aileen Biel as Miss Tweed in "Something's Afoot;" actor in a leading role, Frank Greenwood as Uncle Chris in "I Remember Mama" and Mike Peterson as Pippin in "Pippin;" actress in a major supporting role, Tricia Schaefer as Lettie in "Something's Afoot;" Yvonne Dyer as Aunt Jennie in "I Remember Mama" and Dee Baum as Rosemary Sydney in "Picnic;" actress in a minor supporting role,

Mary Kiszely as Berthe in "Pippin;" actor in a major supporting role, Paul Biel as Col. Gillweather in "Something's Afoot;" actor in a minor supporting role, Al Kessie as Clive in "Something's Afoot" and Tom Hausman as Mr. Hyde in "I Remember Mama;" Outstanding Set, "Something's Afoot;" Outstanding Costumes, "Pippin;" and Outstanding Actress under 16, Lori Koenig as Dagmar in "I Remember Mama;" Outstanding Show of the Year was a three way tie — "Something's Afoot," directed by Ken Smouse, "I Remember Mama," directed by Don Beveroth and "Pippin" directed by Ken Smouse.

Joe and Valerie Hunley presented their Mr. Thespi Awards to Tricia Schaefer for her role of the Leading Player in "Pippin" and to Dee Baum for her role as Rosemary Sydney in "Picnic."

Special PM&L Board Awards were given to Kathy Hausman and Tom Hausman for outstanding service to PM&L. The Outstanding Production Support Awards were won by the chorus of "Pippin" and Lou and Deane Jones for their special effects in "Something's Afoot."

A new award this year went to the Outstanding Animal of the Year. Todd Seisser won as the lion in "Androcles and the Lion." Other contenders were Uncle Elizabeth, the cat in "I Remember Mama" and Otto the duck and the puppy in "Pippin."

PM&L's officers of the year are Bill Serhsqn, president; George Blanksten, vice president; Tracy Kiederlen, secretary; Bill Baum, treasurer; and board members Ricky Apostol, Larry Bersie, Don Beveroth, George Cina, Tom Hausman, Todd Seisser and Ken Smouse.

'Black Comedy' opens PM&L's 19th season

A new, extended stage will be christened with the opening, Sept. 22, of "Black Comedy." PM&L Theatre members have been working over the summer to give themselves more stage room. The British play by Peter Shaffer is the opener for PM&L's 19th season.

The show will also be performed Sept. 28 and 29 plus Oct. 5 and 6 at the PM&L Theatre, Antioch. Curtain time is 8:30 p.m.

"Black Comedy" is a zany show about a young sculptor (played by Philip Jaeger, Zion) who "borrows" his next door neighbor's (Thomas Hausman, Antioch) antique furniture to impress his fiancée's (Pam Guardi, Waukegan) father (Don Beveroth, Salem).

Mayhem ensues when a fuse blows and the neighbor returns unexpectedly. Others in the cast who add to the confusion include Pam Quint, Antioch, as the exmistress; Lillian Allen, Trevor, as a nutty neighbor; Larry Bersie, Antioch, the little light man and Frank DiMarco, Zion, as an eccentric millionaire.

The production, directed by Rae Johansson, Fox Lake, also boasts a seasoned PM&L technical crew. Carole Mallowney, Fox Lake, is assistant director; Ricky Apostole, Antioch is stage manager; Bill Serhsqn, Antioch is technical director, assisted by Todd Seisser, Lake Villa; Pat Serhsqn, Antioch, is in charge of properties and set decoration and is being assisted by Dee Baum, Antioch.

With talent on both sides of the lights, it's sure to add up to another PM&L hit. Call for reservations now, 395-3055.

Remaining shows of the season are "The Miracle Worker" in November, "The House of Blue Leaves" in February, "Born Yesterday" in April and "The Hollow" in June.

Season tickets are on sale now for \$15 per ticket and can be obtained by mailing your check, name, address and phone number to PM&L, Box 23, Antioch, 60002 before the opening of "Black Comedy." Box office prices are \$3.50 for adults and \$1.50 for students.

Sequoits, Blue Devils clash in NWSC opener

The Antioch High School football team faces one of the toughest teams in the Northwest Suburban Conference when the Sequoits host defending league champion Warren at 2 p.m. Saturday, Sept. 22.

The Sequoits are coming off their second straight loss in non conference play, having been shutout by Woodstock 20-0.

Antioch is 0-2 overall.

Warren also lost its last game, 10-3 to Crystal Lake Central.

Central defeated the Sequoits in the opening game of the season.

The Blue Devils come into Saturday's contest with a 1-1 slate.

Antioch has been pegged by many of the league's coaches as a top contender

for the conference title, however, their slow start has many people scratching their heads.

Saturday's contest has been termed by both Steve Wapon, Sequoit head coach, and Mike Kunkle, Blue Devil head coach, as a "must game."

The sophmores kickoff at noon preceeding the varsity contest.

Sequoit Cross-Country is 3-0 in quick beginning

Antioch High School's varsity boys cross-country team is off to a good start this season.

They opened their dual meet season with wins over Stevensen, and McHenry, and Grayslake.

The team is led by juniors Robert Oxten and Gary Miller.

Oxen set a course record at Grayslake with a time of 15:53 for three miles.

In the Wauconda Invitational Sept. 15, Antioch finished a strong fifth place out of 20 teams.

They were led by Robert Otten's second place finish, Gary Miller's 10th place and senior Dave Unicen 29th place.

Senior Mike Mattson finished a strong 48th, junior Adam Venn was 70th, junior Andy Dadgenske 76th and senior Dave Waters 77th.

There were 140 runners.

The cross-country team members have already bettered their best time from last year according to Jeff Presser.

With their improvement we can expect more of their high finishes. Their hard work and dedication has payed off and their desire to run and improve will carry them to their goals," Presser said.

Raiders band together to shut out Warriors

The Raiders played an impressive game beating the Warriors 15-0 with a total team effort.

Key defensive players were Stan Kuligoski with an interception, Eric Birkhaug with a tackle in the end zone

and a safety for two points and John Riedlinger with a fumble recovery.

Touchdowns were scored by Stan Kuligoski and Ray Rugebregt with Kelly Lowry getting the point after.

Plechaty's first paces harriers

Antioch sophomore Gail Plechaty's first place finish paced the girl's cross-country team to a second place in the Wauconda Invitational.

There were 20 teams entered and 112 runners participating in the 1.9 mile race.

Other finishers for Antioch were a strong third place for senior Carrie Corso, ninth for senior Diane Otten, 32nd for junior Nancy Harland, 33rd for freshman Dawn Wacki, 40th place for senior Mary Mattsen and 45th for freshman Patti Friedman.

Also running for the team were Beth Pilkington, Taura Sankey, Diane Jurdiatis and Tammy Schalenbarg.

"The girls team have an excellent chance to win the conference and place high in all meets this year. So far this season they have a 3-0 dual meet record with wins over Stevensen, McHenry and Grayslake," says Coach Jeff Dresser.

Sequoit tennis wins first

The Antioch High School girls' tennis team coached by Elaine Weidner and Julie Pederson participated in a four-team tournament and four dual meets in the past two weeks.

The varsity team lost 3-2 to Waukegan West in the Sept. 6 season opener. In the Cary Grove tournament on Sept. 8, they lost 4-1 to Cary Grove, 5-0 to Larkin and 4-1 to West Chicago.

On the cold and windy courts at Zion on Sept. 10 the varsity girls fell 5-0.

However, this past week the varsity improved all around and beat conference opponent Grant 5-0 and McHenry 3-2.

Fighting for singles positions at this point are Jenny Behne, Darlene Olsen, Margie Allen and Tracy Witt.

Strong doubles combinations so far are Diane Appelhans and Dawn Flaschner along with Amy Lewandowski and Renee Tell. Working hard and hoping to break into the varsity lineup are Maria Mikula, Karen Pape, Gaye Richter and Kelly Pechulis,

according to Ms. Pederson.

The junior varsity is 3-1 on the season, beating Grant 5-0, Waukegan West 3-2 and McHenry 5-0.

They lost to Zion 1-2 with only three matches played because of a small Zion team.

Number one singles Debbie Belli played a junior and lost 5-8.

"The team is young, but shows a lot of potential," said Ms. Pederson.

The team consists of sophomores Nancy Koziol, Jill Larkin, Kim Lewkowicz, Chris Ronayne and fresh-

men Debbie Belli, Karen Bakula, Debbie Drinkwine, Laurie Ott and Carolyn Stanley.

Upcoming home meets are against Lake Zurich Monday, Sept. 24 and Round Lake Wednesday, Sept. 26.

Rough riding Vikings beat Colts, 26-12

From the opening kick-off until the ending whistle the Vikings and the Colts slugged it out in a hard fought football battle that was a lot closer than the final score revealed.

While Antioch came out 14 points on top, the outcome of the game wasn't decided until the fourth quarter was well underway.

Playing before an enthusiastic home crowd, the

Vikings got off to an early six point lead which was wiped out in short order when the Colts ripped off a long run scoring touchdown.

Antioch added two more touchdowns by the end of the third quarter and then scored again in the opening minutes of the final period. However, Mundein quickly followed with their second touchdown on another long run and then dug-in to stop

the Viking running attack.

Although the Colts were unable to mount another scoring drive they did put the Viking defense, led by Andy Lehn, Eddy Silva and Paul Scott, to the test.

For the Vikings, Lehn scored three touchdowns and Jim Kauth had one. Two of the four extra point tries were taken in by Lehn. Final score: Antioch 26 - Mundein 12.

Waukegan Speedway closes its final season

With the checkered flag dropping on Grayslake's Chuck Olson at the conclusion of the hobby stock 12-lap feature, it brought to a close not only a race, but a decade and an era for Waukegan Speedway on Sept. 15.

The speedway is closing permanently after 30 years of operation beginning with Harry Turner on Sept. 4, 1949.

The last 17 years have been under Lake County Racing, Inc. with Gordon Sill, president and promoter.

The land on which the speedway is located has been annexed by Park City and will soon become a ball field, municipal buildings and industrial complex.

ON A COOL autumn-like evening, many former track officials, drivers and a fine crowd appeared to witness the final races.

The late model 25-lap feature was plagued by mechanical problems for a majority of the field with six

cars out of a 16-car field running at the finish.

Fastest qualifier and trophy dash winner Mike Frost of Zion won the final late model race over first time heat winner Wally Maderack, heat winner Charlie Tinkalla, Bill Aichest and Jerry Stanley.

Stanley led the opening go around with Frank Dowell taking top spot on lap two. Dowell and Frost had quite a battle going until lap eight when something broke on Dowell's Camaro just after a caution flag came out for Larry Steagall who stalled in turn one.

THE RACE continued non-stop with Frost coasting to his third main win.

Olson led the hobby main from start to finish despite strong challenges from Bill Lanners during the early going.

Lanners settled for second with 1979 Hobby Stock Champion Dan Vetter third and Chick Stolarik fourth.

Bill Fuesting won the trophy dash with heats going to Wes Carner, his first ever, Robert Tipler, Jerry Doles and the consolation to Brad Chandler.

Dennis Carlton won the final event held as he outlasted the field in the demolition derby which earned him the final checkered ever.

IN TROPHY presentations, Ron Shearer of Waukegan was honored as late model champion along with Vetter as hobby champ.

Special awards were presented by Henry A. Babicz, past-commander of the North Chicago VFW Post 7981 to late model rookie of the year Larry Roebuck and hobby stock sportsmanship to Howard Brooks.

The top 12 drivers in each division received trophies with a special award presented to Jim Kanneberg of Jackson, Wis. for traveling the longest distance throughout the season.

With the end of racing at Waukegan Speedway comes an era of memories for its many fans, drivers and officials. The speedway wishes to thank all of those who supported the track throughout the years.

Sequoia hockey at .500

The Antioch varsity field hockey team began regular season play Sept. 10 with a 3-0 loss to a strong New Trier East squad.

Only a strong performance by goalie Sharron Nelson kept Antioch in the game. Even though they were behind the Antioch girls refused to quit and nearly scored late in the game.

On Sept. 12 Antioch evened their record with a 2-0 victory at Maine East.

A goal by Cheryl Thamerus, assisted by Laura Ogden, put Antioch in the lead midway through the first half.

Early in the second half Beth Mueller scored, assisted by Cheryl Thamerus, to complete the scoring.

Maine East scored late in the game but it was not allowed because of a penalty.

Antioch's next two opponents at home are highly rated Lake Forest and Oak Park.

Lightweights win second shut out

The Antioch Viking Lightweights won their second straight shutout game beating the Mundein Colts 19-0.

In the first quarter, Steve Lichter recovered a Colt fumble which eventually led to a touchdown scored by Dean Elrod.

In the second quarter, Dean Elrod recovered a Colt fumble and a few plays later

ran 55 yds. for the second touchdown. Gene Elrod ran for the extra point.

In the fourth quarter, Tom McLellan kept the ball and ran 18 yards for the touchdown.

Much credit was given to Steve Mueller, Steve Lichter and Bob McMahon, for many fumble recoveries, quarter back sacks and intercepting Colt passes.

ACHS announces national test dates

Junior and senior high school students who are thinking of going on to school after graduation will want to take note of a recent announcement about the national test date schedule for ACT Assessment Program.

The test will be given at ACHS on April 12, 1980, which is the date recommended for juniors.

Students who want to take the test portion of the ACT Assessment on the first 1979-80 national test date Oct. 20 must have their registration materials completed and mailed before the Sept. 21 deadline.

The full 1979-80 schedule of test dates and deadlines is as follows:

Test dates are Oct. 20, 1979; Dec. 8, 1979; Feb. 16, 1980; April 12, 1980 and June 14, 1980.

Registration periods are Aug. 6-Sept. 21; Oct. 8-Nov. 9; Nov. 26-Jan. 18; Feb. 4-March 14 and March 24-May 16.

At area centers on those dates it will take students about three hours to complete the four exams (English, math, social studies, natural sciences) that make up the ACT Assessment's test section.

Antioch High students who are uncertain if they need to use the ACT Assessment, or are concerned about location of the nearest test center, are urged to contact their counselors. Students can also obtain ACT assessment registration packets, as well as other college and career planning materials, from the counseling office.

It is recommended that students use the ACT assessment during their junior year or early in the senior year so that resulting information will be available in time to be of maximum assistance to students and their counselors in education and career planning.

Recommended or required for use by applicants at nearly 2,700 colleges, other postsecondary education schools and scholarship programs, the ACT assessment is used each year by nearly one million students.

The ACT Assessment Program is one of several educational services provided by The American College Testing Program (ACT) which has its national headquarters in Iowa City, Iowa.

The Time Machine

50 YEARS AGO: SEPTEMBER 19, 1929

Detectives from a leading Chicago secret service organization were investigating clues which are believed will soon clear the mysterious looting of two Lake Villa garages Monday night. Thievery has been rampant in Lake Villa for many months, hence the employment of the secret-service agents in an effort to stop the practice which is believed to be 'home talent.'

New sidewalks are being laid on Main and Ida Sts. along the Episcopal Church property this week. Hans Johnson is the contractor.

Vernon Ramsey, ex-army lieutenant and former pilot at the Antioch airport, has joined Sheriff Lawrence A. Doolittle's staff of Lake County deputies. It is the sheriff's plan to take advantage of anything aviation can add to the apprehension of criminals, locating bodies of drowning victims, or in the carrying out routine office work. Ramsey, head of the McMillan-Ramsey flying service, was deputized last Thursday.

When his car collided with a truck driven by Harry McDougall, Eugene Frank was severely shaken up and his car was badly damaged. The mishap occurred in the driveway of the Louis Gandt farm yard Saturday morning.

Wilnot jewelry and general store was robbed last Thursday night of its entire stock. R.C. Shottliff, owner, suffered a loss of \$2,000. Unfortunately, he was not covered by insurance.

30 YEARS AGO: SEPTEMBER 15, 1949

Antioch has lost one of its most valued citizens - Mayor George B. Bartlett. His was a life devoted not only to his family but to the whole community. His 25 years of service as president of the village board, his 30 years as township treasurer, 26 years as assistant cashier of the Antioch State Bank and several years as member of the school board mark him as outstanding in public affairs.

The Antioch Garage was broken into last weekend and two cars sprayed with grease. Herman Rosing, proprietor, informed sheriff's deputies. They also ransacked a truck and shifted equipment. The police believe it was the work of juveniles.

After two delays, the new St. Peter's parochial school will open Monday with an enrollment of 207.

An emergency drive headed by Edward Gresens, Sr., to raise money in the Antioch area for the National Foundation for Infantile Paralysis, rolled past the \$300 mark Tuesday and is striving for a much larger amount before the end of the campaign. Gresens, who succeeds Roy Kufalk as the local director, has a special interest in the emergency campaign because his son Ralph was stricken and recovered from polio.

In the presence of 200 guests, the pupils in Miss Edna West's private tutoring school at Camp Lake, gave a program of songs and recitations Sunday afternoon.

10 YEARS AGO: SEPTEMBER 18, 1969

Army Spec. 4 William R. Bollam, Lake Villa, son of Mr. and Mrs. William Bollam has received the Bronze Star for heroism and Air Medal.

The Antioch Rotarians approved spending \$800 to purchase needed items for Antioch High School. Acting on this appropriation, a committee representing the Rotary, the Interact Club and the high school recommended the funds be used to purchase concrete benches for the patio, an exercise machine and a physical therapy table for the athletic room. The Interact Club functions within the high school similar to the way the Rotary Club operates in the community. Their object is service and fellowship. Rick Nelson is president.

Mr. and Mrs. Dominick DiSilvestro celebrated their 25th wedding anniversary at Como Inn, Chicago - the same place their wedding reception was held.

Inspector to examine downspouts

Routine inspections to make sure downspouts do not flow into the sanitary sewers were approved by the Antioch Village Board.

The village building inspector will be making the checks and "can take action without going back to the board," said Trustee William Seemann.

At a committee meeting last week, trustees heard that there was a possibility that the village was "treating more storm water than sewer water," according to an engineer from a firm making a village sewer evaluation.

Because the village is treating both storm water and sewer water, sewage has backed up into basements during heavy rains.

About 1,700 buildings in Antioch, "mostly residential," have "foundations hooked up to the sanitary sewer," the engineer estimated.

In other action, the board authorized the purchase of new papers for the Antioch

Fire Dept. at a cost of up to \$3,000.

A proposal from Antioch Electric Service, Inc. for \$1,630 was approved for the installation of a security light at the entrance to Jensen Park.

Oct. 15-18 was declared Clean-up Week in Antioch.

Residents are "requested to put things out all at one

time," said Supervisor of Public Works Walter Shepard. Items to be picked up should be packaged, he added.

Two one day liquor licenses were approved by the board.

The German-American Club of Antioch received a license for Oct. 13 and St. Peter's Men's Club received a license for Oct. 6.

"Get LUMBER-SCAPING?"

by Sam Kilman
The Outdoor Woodsman

"It's done with beautiful, easy-working, long-lasting Outdoor Wood."

It's maintenance-free fences, walkways, planters and benches.

And summer houses for all seasons.

And decks, patios, or porches that never need painting.

Getting started is as easy as getting down to your lumber dealer's for my free Outdoor Woodsman building plans. And, of course, the Outdoor Wood you'll need to build 'em.

Outdoor Wood is the ideal wood for anything you build out-of-doors. It's deep pressure-treated with Wolman® preservatives to protect itself against rot and termites. For a lifetime.

You can stain or paint it, if you want to. But, if you don't want to, the wood will weather to a natural gray that blends in beautifully with your landscaping.

That's lumber-scaping. And that's living.

"Get the real thing. Be sure the lumber you buy is stamped 'Outdoor Wood'."

YOUTH LEADERSHIP— These three students, from left, Julie Lorang, Antioch, from Carmel High School for Girls; Patricia Langager, Lindenhurst, from Antioch High School; and Laurie Jilly, Lake Villa, from Grant High School were among students participating in youth leadership conference.

Students participate in leadership development

Several Antioch and Lake Villa area students were among those participating in student programs ranging from consumer education to the serious art of clowning at the 31st annual youth services leadership development center (LDC) sponsored by American Red Cross.

More than 100 top students from various high schools in the metropolitan area, central Illinois and northwest Indiana participated in this year's conference held at Barat College, Lake Forest, the end of August.

During the week-long program of workshops and

special sessions students work to develop and strengthen leadership skills. Their aim is to apply these skills in coordinating relevant community services within their respective schools.

"LDC stresses awareness and development of leadership potential through involvement in elections, assemblies and panels," Cindy Foys, Red Cross youth services chairman, said. "The delegates work with other students and adults who have varying backgrounds but who also have one goal in common: service to others."

In addition to workshops

on consumer education and clowning, this year's LDC included sessions on first aid and bicycle safety, as well as a "getting it together" program dealing with relationships and personal problems. The students also organized and conducted a blood drive during the conference.

Among the special events was a career workshop with seven members of the Red Cross Mid-America Chapter board of directors and a presentation by a representative from Illinois Governor William Thompson's office commemorating the International Year of the Child.

Scott Koeller, who had an in-

terception, with excellent
play.

The Eagles' coaches
credited Scott English and
Jerry Stingle with good

INSURANCE INFORMATION

Two of our children are in the high school band and own
their own instruments. One of them plays in a group.
Will the instruments be covered under the normal rates
in our Homeowner's policy?

The answer lies in whether an instrument is being used for professional
or amateur pursuits. An amateur musician who only makes an occasional
dollar would qualify for non-professional rates, which are lower. However,
if the musician plays regularly for pay, even if only as a member of a
group, accepting dates to play whenever they can get them, the profes-
sional rates are probably indicated to meet the requirements of the
underwriters and claim adjusters. Check with your agent, explaining
your exact situation, to be sure the instruments are adequately and
correctly insured.
